***Keeping people singing
for over 20 years!***

The Treasure Coast Community Singers (TCCS) is a remarkable organization that embodies the essence of community through music. With an array of choruses—Community Chorus, Chamber Chorus, Ensemble, Youth Chorus, and Middle School Chorus—TCCS creates a space where singers and volunteers come together through their shared love of music.

The organization's success over the past 23 years is a result of the hard work of a dedicated Board of Directors and 18 teams that chorus members and volunteers join, working together to ensure the smooth operation of the organization. This collaboration allows the group to thrive and grow, creating a dynamic and robust musical environment. Most TCCS members volunteer their time on one or more teams, leveraging their expertise and contributing to the communal effort.

In addition to the usual season concert performances, the TCCS Ensemble performs at various event and programs throughout the Treasure Coast showcasing their talent and engaging with the community. Members of the organization represent TCCS at cancer walks, local fairs and community events demonstrating their dedication to service beyond music. Members also lead singalongs at area senior centers and communities bringing joy and camaraderie to residents who may not have access to live performances.

The Treasure Coast Community Singers is a testament to the power of community and music. Through its various programs, performances, and outreach efforts, TCCS enriches the lives of its members and the broader community. It stands as a beacon of hope and a symbol of unity, proving that together, we can create something truly harmonious.

For more information about TCCS and its upcoming concert season, visit us at www.tccsingers.org.

Message from our CEO, Douglas P. Jewett, EdD

As Treasure Coast Community Singers begins our 23rd year of "Keeping People Singing" I want to thank you, our listeners and supporters. We are thrilled to present our music for you and truly hope you enjoy each concert. Your energy and enthusiasm are a driving force for our performance. We work hard to learn our music and it is rewarding when we hear from you how much you enjoy it.

Our Community Chorus concerts this year include a variety of themes as we anticipate presenting songs you will love. We open the year with a celebration of songs about the Fall season, Tapestry of Autumn. Our Holiday concert will include more traditional songs this year. The winter concert will celebrate the songs of Disney that we all love. Then we conclude the Community season with the traditional songs of our country as we celebrate the 250th anniversary of the USA.

The Chamber Chorus will present Mendelssohn's Hymn of Praise based on the hymn, Now Thank We All Our God, as we approach the Thanksgiving Season. In April, we will reprise the Civil War musical written by John Purifoy, Chronicles of Blue and Gray. This musical is written as an attempt to describe the conflicts and divisions of a war-torn country and gives us hopes for a united outcome.

The Youth Chorus and Middle School Chorus will participate in each of the Community Chorus concerts. In addition, we anticipate creating a special concert showcasing the youth and middle schoolers with solos and duets along with anthems.

The TCCS Ensemble works year-round to prepare music for special events within our community. The demand for this group usually centers around holiday special events but are asked to perform wherever a smaller group is needed.

We continue to attempt to provide a variety of musical opportunities for the listeners in hopes that you will share the joy you receive from our concerts with your friends and include them at subsequent concerts.

I am extremely proud of the organization we have built through the years. I'm equally pleased with the relationships we have gained as many of our listeners return concert, after concert. Thank you from the bottom of my heart.

The Treasure Coast Community Singers Concert Schedule

2025-2026 Concert Season

Tapestry of Autumn Community/Youth	Saturday, 10/4/25 Trinity United Methodist Church, Jensen Beach

Dr. Douglas P. Jewett

Founder / CEO

Dr. Douglas Jewett is the founder, CEO, and conductor of the Treasure Coast Community Singers organization. An ordained minister, he retired from full-time church music in 2018 but continues to serve the local church on a part-time basis. In addition to church music ministry, in his 46 years of conducting he has taught all levels of education from kindergarten to college.

Upon graduation from University of Tennessee with his Master's degree in Choral conducting, he has served churches in Tennessee and Florida. In 2014, Dr. Jewett completed his Doctor of Education studies in Organizational Leadership in Higher Education.

He has received the MARTies Arts award for Performing Artist of the year in 2010. He was also awarded the Paul Harris Fellow in 2016. In 2023 the Martin County Council on Aging awarded Dr. Jewett the Sage Award for Performing Artist in recognition for his contributions to continuing to engage Senior Adults in performing arts opportunities. He has participated as one of the ministers in Martin County Blessing of the Fleet for the past 15 years. While in Martin County, Dr. Jewett served as conductor for the Indian River Pops Orchestra from 2018-2023. Constantly dreaming of the next musical contribution he can make to the Treasure Coast, he is most proud of the Treasure Coast Community Singers organization and the joy of "Keeping People Singing."

Dr. Jewett has been married to his wife, Sharon, for 44 years. They have two daughters and four grandchildren.

Carol Paul Accompanist

Carol Paul has accompanied the Treasure Coast Community Singers (TCCS) since their debut in 2003. She now accompanies all four choruses of TCCS (Community Chorus, Chamber Singers, Middle School Chorus, and Youth Chorus). Music has been part of Carol's life from a very early age and continues to be an enjoyment and priority for her.

Since the age of six, she has been very involved in church, community and school music, singing and playing the piano and organ. She has accompanied many schools in Martin County. Currently she is serving at Trinity United Methodist Church as accompanist.

Carol was born in Texas into a very musical family and moved to Florida with her family while in High School. She and her husband, Michael met at church as teenagers and have been married almost 53 years. They have been blessed with two amazing sons and daughters-in-law. They also have four talented, impressive and loving granddaughters. Their son, Jimmy lives in Stuart with his wife and four daughters and is the Choral Music Director of Jensen Beach High School's Jubilate. Their son, Bobby lives in Blowing Rock, NC with his wife.

Community Chorus

TCCS has a dedicated commitment to welcome all singers no matter their musical skill, background or experience as a member of its Community Chorus. There is a place for anyone who loves to sing.

We strive to help all of our members improve their musical skills. Rehearsals include exercises to refine vocal tone and to produce a unified choral sound as well as practicing individual section parts in preparation for performance. CDs with the vocal parts (soprano, alto, tenor or bass) of the performance music are distributed to members for their own individual use at home. The group rehearsals and individual practices produce concerts that delight our audience while establishing friendships with those who share the same love, creating music.

The Community Chorus performs four concert sets during the season. Each concert set has a theme and is filled with music to please the singer and the audience. Our repertoire includes old favorites, show tunes, movie themes, patriotic songs and inspirational music.

Many concerts are enhanced by the addition of local professional musicians to accompany the group. Their presence adds another dimension to the performance and certainly livens up and engages the audience and singers as well. TCCS has been fortunate in the past few years to have received local and state grants from the Florida Department of State Division of Arts and Culture and Women Supporting the Arts to cover the cost for these professionals. We are always grateful for additional donors who help sponsor our performances.

The season for singers begins in August and ends in May. We are always pleased to welcome new singers to our chorus.

Marguerite Krull Conductor, Middle School Chorus

Trained as a classical pianist and opera singer, Marguerite Krull has spent the better part of her career singing principal roles with opera companies and orchestras around the world. She has garnered praise for a variety of roles ranging from the early Baroque through Contemporary eras, and has performed as soloist with such organizations as Lyric Opera of Chicago, New York City Opera, Teatro Colón (Argentina), Washington National Opera, National Symphony Orchestra, American Classical Orchestra, Glimmerglass Opera, La Monnaie (Brussels, Belgium), Sarasota Symphony, Orlando Opera, Opéra de Québec, Oper Leipzig, Opéra Lausanne (Switzerland), Opera de Bogotá (Colombia), Handel and Haydn Society (Boston), Bach Choir of Bethlehem, and American Bach Soloists.

After moving to Stuart five years ago with her husband, Mark, and their two children, Marguerite decided to expand her career into conducting. She is very grateful to Doug Jewett for entrusting her with the leadership of the TCCS Middle School Chorus. This is Marguerite's and the Middle School Chorus' third season, and she is honored to direct this wonderful group of talented children.

TCCS Ensemble

The members of the Ensemble are selected by the conductor to perform at community events, club meetings, holiday gatherings and other private affairs. They are a diverse group of singers who join together to produce a unified sound of blended harmonies whether performing as a trio, quartet or larger ensemble. Each member also sings in one or both of the Community and Classical Choruses. Their repertoire ranges from standard ballads, jazz and show tunes to inspirational and patriotic music.

Their goal is not only to perform entertaining programs but also to raise awareness of the presence of a community choral group, the Treasure Coast Community Singers, to the residents of the Treasure Coast.

Kay McDonald
Conductor,
Youth Chorus

Kay is a dedicated musician with over forty years of experience in teaching, directing, and performing. With her expressive style of conducting, and genuine love of music performance, Kay inspires our youth performers to excellence.

Currently living in Stuart, Florida, Kay is an active member of Treasure Coast Community Singers and St. Christopher's Church Choir in Hobe Sound. Kay's husband, Bill, is also a talented music artist, and they love performing together at several Treasure Coast area venues.

Kay holds a Bachelor of Science and Master's in Music Education from Nazareth College in Rochester, NY, and is a permanently certified public school K-12 music teacher. As a retired music teacher, Kay is grateful to share her strengths once again in teaching and conducting the youth of our community and sharing her love of singing with others.

Student Outreach

High School Stipend Program

The Stipend Program is a distinctive feature of TCCS, welcoming high school juniors and seniors to participate in rehearsals and performances. This initiative not only enhances the musical skills of young participants but also fosters a creative, multigenerational environment.

The singers apply; are selected by the Conductor and each singer earns a stipend for their participation. There are usually three to four students singing with us each concert session. TCCS was excited to have Margarita Canastuj, Mallory Goddard, and Marin Ladda from Martin County High School and Kate Zoetmulder from Jensen Beach High School join us through the 2024-25 concert season.

TCCS supports each of these programs through donations and ticket sales and is always looking for additional funds to expand these programs.

Chamber Singers

As TCCS became more established in the community, the need to broaden its musical repertoire to better entertain the residents on the Treasure Coast became obvious. To accomplish this, a second performing chorus with a focus on classical masterpieces was formed.

On September 11th, 2009 this classical chorus, now known as the Chamber Singers, performed its first concert, Mozart's "Requiem Mass." Since then, the Chamber Singers have presented two concerts sets a season, performing works from Mozart, Puccini, Rutter, Mark Hayes, Handel, Brahms, and many others.

Members of this chorus are singers who have a musical background with the ability to read music and a love of classical music. Requirements to be part of this group are a successful audition with the conductor, regular attendance at rehearsals and a commitment to personal rehearsal. The season for the Chamber Singers begins in August and ends in April.

Orchestral accompaniment is essential for each Chamber Singers' concert. The performances are enhanced when there is an orchestra and soloists. In addition, Treasure Coast Community Singers is proud to support local orchestra instrumentalists by utilizing them in the accompaniment of our Classical programs.

Local and state grants from the Florida Department of State Division of Arts and Culture and Women Supporting the Arts have been instrumental in helping defray the expense of the additional musicians and singers but we are always in search of additional funding to ensure the quality of our performances.

TCCS Chamber Singers Concerts 2025-2026 Season

Mendelssohn's Hymn of Praise

Mendelssohn's Hymn of Praise is programmed just before Thanksgiving this year as it reflects on the hymn, "Now Thank We All Our God." Published as Mendelssohn's Symphony No. 2, the first movement is an orchestral overture in three sections. Like Beethoven's Ninth Symphony, Hymn of Praise incorporates a choir and soloists in eleven movements quoting scriptures of praise and encouragement.

The Chronicles of Blue and Gray

This collection of songs reflecting on the conflict within our country's borders during the Civil War. The songs display the division of a young nation and the strength of the leaders who brought it back together. Songs also reflect on the devastation and the memorialization of those who lost their lives over injustices and political conflicts. This "musical" by John Purifoy has become one of the most requested repeat performances ever by TCCS.

Any content, submissions, advertisements and advertorials are not necessarily endorsed by or represent the views of TCCS that this publication serves. Middle School & Youth Choruses

The TCCS Youth Chorus and Middle School Chorus provide young people with valuable arts education experiences while developing their love of music and self-confidence. These choruses sing at events and programs around the Treasure Coast and perform at the TCCS Community Chorus concerts. At these concerts, both youth choruses perform the repertoire they have prepared for the concerts. Additionally, they join the Community Chorus for a song or two, highlighting their progress and integration into the larger group. This past season, the Middle School Chorus joined the Chamber Chorus to perform John Rutter's Mass of the Children, a challenging classical score. The young people memorized and performed the entire score and lyrics, which were in Latin.

We are fortunate to have two enthusiastic and energetic music educators working with the young singers. Under the direction of Kay McDonald, the Youth Chorus singers (Grades K-4) develop their musical skills, learning to read music while working on producing a unified choral sound. The Middle School Chorus singers (Grades 5-10), directed by Marguerite Krull, are introduced to singing two and three-part harmonies as they continue to increase their musical skills of reading music, and producing a unified choral sound. In addition, both groups are learning to work together as a team as well.

These choruses have become an integral part of the Treasure Coast Community Singers.

Student Outreach Scholarship Program

TCCS takes joy in supporting talented youth through our Scholarship Program.

Our Scholarship Program supports graduating high school students in their college study of music or music education and acknowledges graduating students for their contribution to the music enrichment of their community. Through private donations and one dollar from each concert ticket sold, TCCS scholarship fund has awarded over \$45,000.00 to graduating students attending schools in Martin and St. Lucie Counties. The hope is that these recipients will make musical contribution to their communities in years to come.

Congratulations 24-25 scholarship recipients!

Donations & Sponsorships

Our audiences are wonderful, and we love you! In addition to attending our concerts, **we hope you will consider supporting us with an additional donation.**

Ticket sales and the membership dues our singers pay cover less than half of our operating costs. **Charitable contributions are incredibly important to allow us to continue making beautiful music accessible to everyone here on the Treasure Coast.**

Our singers, team members and board members are all volunteers and spend many hours working to present concerts and keep TCCS running. Donations and sponsors make it possible for us to continue making music, including paying for rehearsal and performance venues, music, musicians and soloists. Our scholarship program and our stipend program encouraging high school age singers, both rely on support over and above ticket sales, as does our community outreach program.

You can donate in your name or a company name. You may also wish to contribute in honor of or remembrance of someone. If your company has a matching gift program, we would be honored to be included.

Donations are accepted in a variety of ways:

At Each Concert - Contribution Envelopes are provided in the program at each of our concerts, or just ask an usher.

By Mail - If you prefer to mail your donation, please make your check payable to Treasure Coast Community Singers, and mail to: Treasure Coast Community Singers, P.O. Box 1789, Jensen Beach, FL 34958.

Via PayPal - On our website www.tccsingers.org click on the Donate Button. Note that you do not have to have a PayPal account to complete your donation, just a debit or credit card.

To donate now, simply use your smart phone to scan the QR code to setup your one-time or recurring donation to TCCS via PayPal.

Please include information about you (name, address, phone and email) with each donation, so we can send you a formal receipt and thank you. If you are giving in honor of someone, list that information as well so we can properly include it in our program. And while we would love to list you in our program, if you wish to remain anonymous just note that as well.

Donations & Sponsorships (cont.)

If You Would Rather Call To Donate, or you just have any questions, please call us at 772-224-8807 and leave a message, and we will promptly return your call and assist you.

TCCS is a 501(c)(3) not-for-profit organization.

TCCS maintains a Platinum Seal of Transparency on Guidestar, the non-profit clearinghouse for verifying non-profit's eligibility to receive donations.

Contributions of any size are accepted and appreciated!

Thank you again for supporting the arts and helping the Treasure Coast Community Singers "keep people singing"!

TCCS Community Chorus Concerts 2025-2026 Season

Tapestry of Autumn

Finding songs specifically about the Fall was not an easy task. However, there are several that speak to events of the Fall. Titles include "See you in September," "Pictures of Autumn," "Autumn Leaves," "Orange-Colored Sky", and "Take Me Out to the Ballgame." There will also be a couple of selections giving a nod to Halloween.

Candles and Carols

Always a favorite concert, the Holiday concert this year will be filled with the traditional songs of the season. Looking at our list of songs, most of the listeners will be able to hum or sing along on almost all of them. We will have a couple of fun songs in the midst such as The Twelve Days After Christmas. We include additional traditions of the season and even celebrate with some international songs. We love traditions and look forward to sharing our songs.

Disney Through The Decades

Where does one begin when exploring Disney songs? They have been part of our lives for as long as we remember. Most of our singers have learned the newer Disney songs from watching movies with our grandchildren. From Moana, Frozen, Encanto, Shrek, and more, we have a wealth of music to select from and present. Maybe we will introduce a new song to you!

Birth of Our Nation

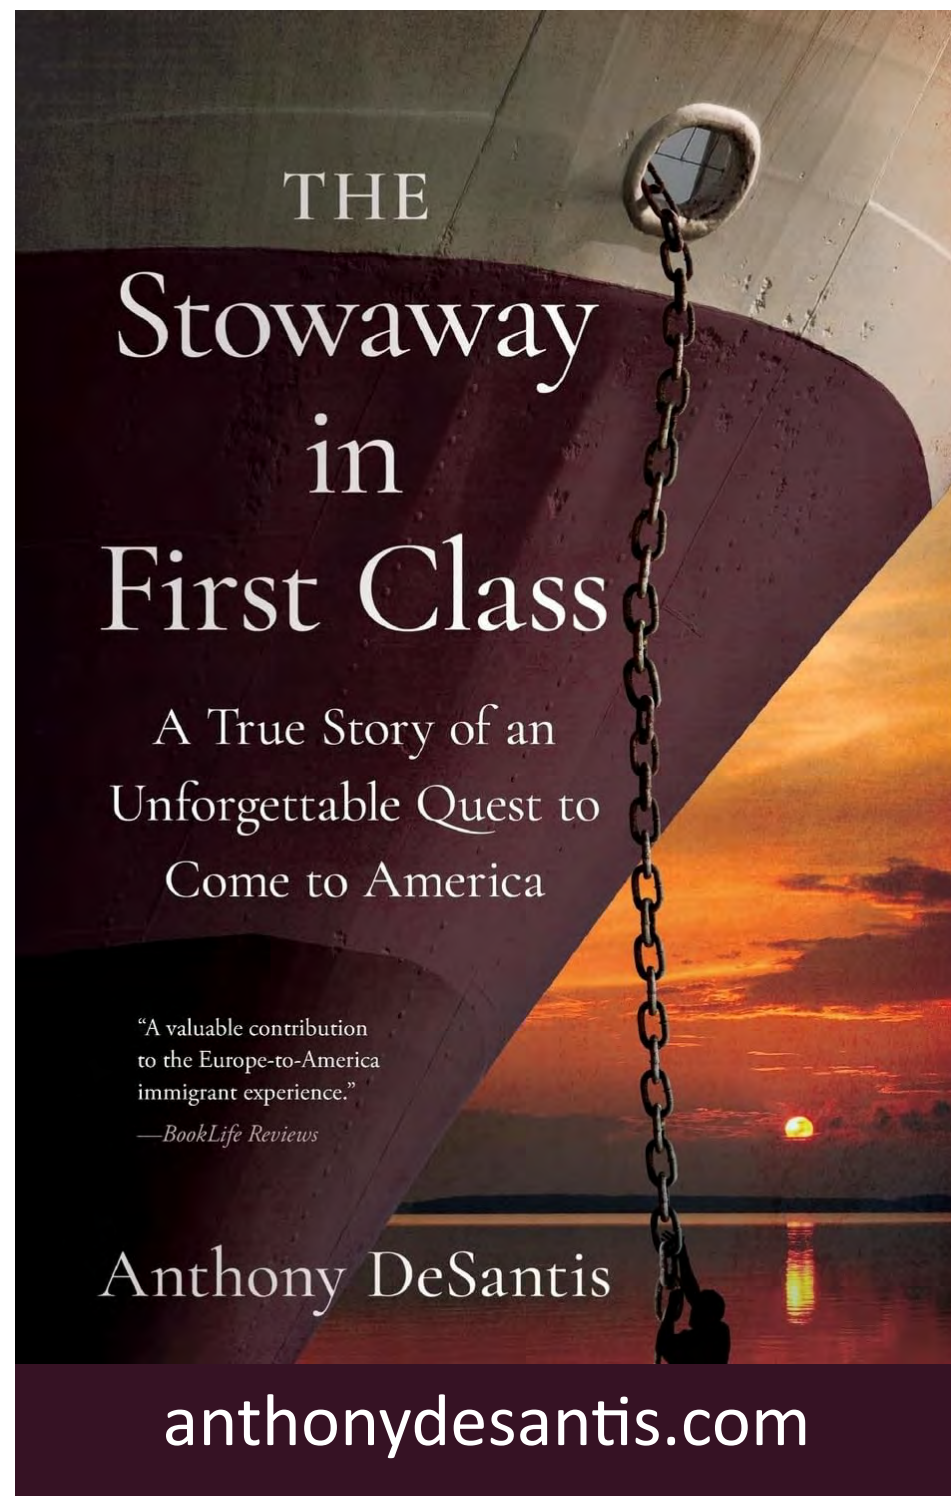

Each year we recognize and salute our nation and our military with this concert in anticipation of Memorial Day. Patriotic songs always pull at our heart strings. This concert will provide us with a chance to celebrate our country as we celebrate the 250th birthday of the USA.

Thank you for supporting the
Treasure Coast Community Singers!

We look forward to seeing you again!

Music soars when well conducted. Your finances can, too.

Financial planning for major life events:

- Retirement
- Inheritance
- Divorce
- Widowhood
- Selling a business
